

## **RSLI Parent Referral Information**

**By requesting a tutor from RSLI, you acknowledge the following:**

1. We may or may not have a tutor available in your area. Note that we only refer teachers in Suffolk and Nassau County (Long Island, NY).
2. RSLI does not guarantee the qualifications of the tutor that we recommend to you. To qualify to be in our database, all teachers must be NYS certified, however, we recommend that you vet the teacher accordingly. We recommend you look up the teacher's qualifications in the NYSDOE website at this link:  
<http://eservices.nysed.gov/teach/certhelp/CpPersonSearchExternal.jsp?trgAction=INQUIRY>
3. The tutoring fee will be determined by your tutor. RSLI does not collect any money, and we don't receive any from the tutor. We are providing a free referral service.
4. RSLI does not guarantee that your tutor will use our materials (namely those at [www.yourkidcanread.com](http://www.yourkidcanread.com)). If you would like to use our materials, please suggest this to your tutor.
5. If you are not satisfied with your tutor, you may request another referral.
